ORDER:-

B.S.O. 113 requires the village headmen to render all reasonable assistance to Government Officers on tour, in the procurement of provisions. In their Order read above, the Government asked the Board of Revenue to suspend the operation of this B.S.O. for one year and to submit in due course a report on the effect of the suspension. The operation of the B.S.O. was suspended accordingly and the Baord has now, after consulting the Collectors, submitted a report on the effect of the suspension. According to this report, the view of the majority of the Collectors is that the suspension has not caused any inconvenience to the touring officers and that therefore the B.S.O may be ~~abolished~~ altogether. The Board is not against the proposal for the abolition of the B.S.O. The Government direct that B.S.O. 113 be ~~abolished~~. abolished.

2. The Board of Revenue is requested to issue necessary instructions to the Collectors and take steps to amend the B.S.Os. suitably.
